1. In compliance with your request that arrangements be undertaken to procure the services of an AACS officer for liaison between the Office of Communications and AACS, please be advised that I concur wholeheartedly with the feeling that such liaison would be to the mutual interest of all concerned. Necessary procedure to effect that end is now in progress.

2. It is proposed that Colonel R. A. Berg, HQ USAF, Project Liaison Officer, brief the Commanding General of AACS in your presence regarding various aspects of our program. Following this briefing, any trend of discussion to fulfill your proposal would be well placed.
